

CUSD 200 PACE PROGRAM

SAT Testing for Students Currently in 6th and 7th Grade

District 200 will host SAT Testing again this year. The purpose of SAT testing is to identify students who are not currently a part of the PACE Program. Testing results will be used to qualify students for 7th grade Fast Paced Language Arts, 7th grade Fast Paced Mathematics, 8th grade Fast Paced Language Arts, and 8th grade Fast Paced Mathematics for the 2010-2011 school year. Students who are currently enrolled in 6th grade FPLA and /or FPM are also invited to participate – their results on the SAT will **not** be used to exit any students from the PACE Program.

Participation in the PACE SAT Testing is also beneficial because it allows students the opportunity to take the SAT without their results becoming a part of their permanent College Board record. Although 6th grade students are targeted for SAT Testing, any middle school student who lives in the District 200 attendance area is eligible to participate. Students will also be invited to test based on parent and/or teacher recommendation.

Testing will be held at Monroe Middle School on Saturday, January 30, 2010.

There will be a morning session.

Students who currently attend a private school or are home schooled, but reside in the District 200 attendance area, are eligible for the SAT Testing. If a student qualifies for the PACE Program under these special circumstances, it becomes the parent's responsibility to provide transportation to and from classes. The parent must consider scheduling issues when making a decision regarding participation the PACE Program.
